

EPIC LETTER OF COOLNESS

OKIE AUTISTIC PICTURE BEFORE U READ THIS

(autism)

Okie okie i knew that i was supposed to write you a letter by hand (I honestly planned on doing that) but yk... mother (if she had seen that i would be doomed) and plus ur in Dehradun (feels weird). SO IM TYPING IT (YAY (i think))

When i first saw you at IIT i was like "SHES COOL OMG" but then u were like "im going to college" and i was like "NUH UH AINT NO WAY" and "NUH UH I CANT MANAGE LDR" and then i rllly rllly thought abt it during the lecture at IIT (boring ahh anyways) and i was like "hey you're like a year older than me anyways ive seen worse this is ok" and then we started talking and stuff and it didnt rllly develop into a full on crush until the next day when we went to that carnival ahh thingie (with the gun and the balloons) and you tried to murder me (cause thats what you do when you like someone right?), and then i didnt rllly know what to do or what to say and stuff cause I never rllly LIKED LIKED anyone before like you, so i just kept quiet and we were friends.

AND THEN WE STARTED TALKING AND SHIT AND I WAS LIKE "WOAH I THINK IM IN LOVE" AND THE DAY U CALLED ME AND WENT "I LIKE U" I BLUSHED SO HARD IM PRETTY SURE THE REDNESS GOT TO MY EYES LIKE WOAHHHHHHHHHHHHHHH...."

And like honestly its probably 3 am or smth while im writing this so i might go on several rants but HOLY SHIT UR LIKE THE AWESOMEST, PRETTIEST, SWEETEST AND THE MOST EPIC PERSON IVE EVER MET. LIKE WOAHHH, and like we're so similar its WEIIRDDD (ur like a blue haired shorter (mweheh im sorry i had to) girl version of me) AND THEN WE SAW THE ENTIRE HTTYD SERIES AND WOAHHHHHHHHHHHHHHHHHH I THINK MY HEART MELTED OR SMTH

AND ATP I THINK IVE READ THE LETTERS U WROTE ME LIKE A GAZILLION TIMES (its insane).

I honestly can't believe we're together arn its so unreal but (butt mwehehe) its happening like woah.

I LOVE YOU SO SO SO SO SO SO SO MUCH AND YOU'RE THE ABSOLUTE BEST PERSON IN THE WORLD AND I WOULD LITERALLY DIE FOR YOU

I rlly rlly wanted to write more but its getting late and mother might wake up any second now.

You're literally the love of my life
